

Solventum IV Campus National IV Leadership Summit

Wednesday 18 June 2025

Solventum, 10 Bakewell Road, Charnwood Campus,
Loughborough, Leicestershire, LE11 5RB

The Sixth National IV Leadership Summit will give clinicians with an interest in vascular access and infection prevention an opportunity to share in first class educational and leadership content. The programme will focus on national programmes and development aligned to Vascular Access and IV Therapy.

Solventum IV Campus – National IV Leadership Summit

Wednesday 18 June 2025, Loughborough

The day will also give opportunity for networking with fellow senior clinical professionals to share experience and best practice with the aim of reducing infection risk at all access points.

Learning outcomes

- Assessment of infection risks within the hospital environment and evidence-based best practices for reducing catheter-related infections.
- Learn about Aseptic Non-Touch Technique (ANTT) principles and the human factors that contribute to compliance and non-compliance with ANTT protocols.
- Understand the principles of sustainability in healthcare and the importance of sustainable practices and how they relate to vascular access.
- Discussion on development and implementation of action plans based on audit results to enhance vascular access practices.
